

Studying in Australia? International Student Personal Mentoring

Are you or is your child moving to Australia to study at school or university?

Studying in a foreign country can be as scary as it is difficult. Language and cultural adjustment can take time and affect your ability to achieve your potential.

Better English has a new range of products specifically designed at the international student. Our mentoring services have been created to not only to assist international students academically with their English and study plans, but also to make the transition to study in Australia as positive as possible.

We aim to arm our clients with the skills and support to ensure they have the best chance of success in their studies.

Choose from a range of pre-packaged mentoring which combine:

- Individually written study plans
- Individual tuition (both online and face-to-face)
- Essay correction
- Cultural adjustment services

See our prices page for pre-packaged deals. Alternatively, you could email us with your specific requirements and one of the Better English tutors will tailor-make you a program.

Rest assured you will have the best start to your academic studies in Australia with an Academic Mentor.

We are now taking enrollments in our mentoring programs very soon, so if you would like more information please fill out an Enquiry Form.
